

KERIKERI FOOTBALL CLUB

HEALTH & SAFETY POLICY

The Kerikeri Football Club health and safety programme aims to :

Promote excellence in health and safety management
Continually improve current health and safety performance
Provide a safe and healthy sporting environment
Identify and control actual and potential hazards
Establish and maintain communication on health and safety
Support volunteer participation in health and safety matters
Identify needs and provide training on health and safety
demonstrate a commitment to the accurate reporting and recording of health and safety matters
comply with legal and organisational obligations.

Objectives will be achieved through :

Club support and commitment to health and safety
Implementation of policies and procedures
Volunteer education and participation
Regular reviews and evaluations
Three monthly health and safety meetings

Legislative Requirements

The Health and Safety Act 1992 requires Clubs to take all practicable steps to ensure health and safety by

Providing a safe club environment
Providing and maintaining facilities for members safety and health
Ensuring equipment used is safe
Ensuring members are not exposed to hazards
Ensuring that no action or inaction by members is likely to cause harm to either themselves or others .
